About Us

Safe Families is a charity that works with 35+ local authorities (including Derby) around the UK. Safe Families offer hope, belonging and support to children, families and care leavers; we do this primarily, but not exclusively, with and through volunteers from local churches

Why Do We Exist?

No one should feel alone. We exist to create relationship and connection because everyone deserves to belong.

Who are we?

Safe Families is made up of over 5,000 volunteers from over 1,000 churches and community groups. Supporting this amazing work we have a staff team of around 150 passionate, talented and dedicated people around the UK. Our dedicated board of trustees provide insight, strategic direction and hold our leadership team accountable for achieving our mission and vision.

Our Impact

1,500+ Families Connected Each Year

10,813 Bed Nights of Hosting

23,147 Children Benefitting

We have demonstrated a decrease of the flow of children into care of between 9 – 16%

Our Values

Love

Loving abundantly – Supporting with hope, generosity and dignity

Belonging - Building community – Establishing positive relationships that bring security and connection

Faith - *Trusting boldly* – Believing for lives transformed and in a God who can do more than we can ask or imagine

Empowerment - *Enabling potential* – Confident that everyone has the ability to thrive

Humility - *Serving together* – We know we can't do it alone, so we invest in strong, honest and honouring partnerships

Volunteering

Can I Make a Difference?

Safe Families recognises that people in varying circumstances and stages of life will want to give to the organisation in different ways.

Family Friend

Family friends work directly with families. Coming alongside and giving support to parents and children when they need it most, making sure they feel less isolated.

Host Families

Host families open their homes to look after children from a night or two up to a couple of weeks. This gives a regular break and space to families dealing with issues or challenges.

Resource Friend

Individuals who are able to provide (or transport) useful items, such as a cot or children's clothing. We also welcome those with helpful skills, such as cooking or gardening.

Prayer

Prayer underpins all we do at Safe Families.

We would love you to join us in praying for our staff, volunteers, and the families we help. Google – www.safefamilies.uk/prayer
